

News from 
QUEEN ELIZABETH PARK
CARE HOME

Dear friends,

With the arrival of a crisp new season and the return of our beloved autumn traditions, we've been reminiscing about the delightful and joy-filled summer we have had here at our home.

2024

gold**

Hearts of gold

Did you see our Hearts of Gold posts on Facebook during the summer? It's such an enjoyable day for everyone in our home and gives us the opportunity to officially recognise and thank our team members for being so amazing.

We are so proud of the positive difference they make every day through the continued kindness, compassion and support they show our residents, relatives and each other.

Celebrating these achievements not only boosts morale but also reinforces our commitment to making a positive impact. It's lovely to see our team's dedication shining through!

Fun in the sun

Our Summer Fair was fantastic this year! It was the perfect opportunity to welcome the community into our home and share a delightful day together.

With live entertainment from an ABBA tribute and a sweet stall for the children, it was a wonderful day. Beer, wine and Pimm's were served up with soft refreshments, ice cream to keep everyone dancing and singing in the summer sun.

There were magic shows, balloons, and a variety of stalls. We even had a WWII jeep, which lots of people enjoyed having their photo taken with. All of the money raised from our event went to Mane Chance, our chosen charity for the year, which is a sanctuary for rescued and abandoned horses.

80th anniversary of D-Day

D-Day was extra poignant this year as we joined the rest of the country in marking the 80th anniversary of the landings.

For many of our residents, they either served, had family members who served or grew up during WWII. On such a major milestone, it was very moving to hear the experiences of our residents and think about the sacrifices their generation made that allow us to enjoy the freedoms we now take for granted.

As the years pass by it is important that we continue to share the stories of those who were involved.

All aboard

Over the summer we had a wonderful trip down the River Wey on a cruise boat, and 'buoy' did our residents have fun! Many of them have fond memories of cruising on the river as children or with their own families, and for some residents it was a new experience entirely.

It was great to see everyone enjoying a nice relaxing cruise, basking in the sunshine and having some tasty cakes.

We have regular outings on aboard the river cruise boats as they are a wonderful way of getting out and about and spending some quality, relaxing time in nature together.

With love,
Heather De-Ninis
Home Manager
