# QUEEN ELIZABETH PARK CARE HOME

Dear friends,

With a fresh new season upon us, our home is bursting with brightness and vibrancy! Take a glimpse into our delightful spring escapades in our latest newsletter.

## Celebrating Mums

Thank you to everyone who joined us for Mother's Day to help us celebrate all of the wonderful mums here at Queen Elizabeth Park. We had a lovely afternoon honoring the important women in our lives and enjoyed a tasty Afternoon Tea.

We made a big fuss of all our lovely mums, and gave them flowers, chocolates, and a Mother's Day blessing. It was a day full of happiness and smiles, the perfect way to spend Mothering Sunday!

## Egg-cellent Easter

April was a fun and busy month, and Easter week was packed full of lovely activities, including a wonderful visit from the children from our Little Lambs toddler group, who always bring bundles of joy to the home. There was plenty of fun and games with the children and our residents getting creative decorating beautiful Easter cards.

The Easter Bunny led an egg hunt before everyone enjoyed a delicious Afternoon Tea. The team went above and beyond to make it a fabulous celebration and a big thank you to the children who helped make it an 'egg-citing' day!

# VE Day

In May we marked the 80th anniversary of VE Day with our residents and their families. We enjoyed lots of delicious food, music and waved our Union Jacks enthusiastically as we celebrated the milestone.

It was great to come together and reflect on the lives and sacrifices of those that served and to honour and pay tribute to the Second World War generation.

## Dedication

We want to give a special shout out to three of our wonderful volunteers, Doreen Collins, Christine Vincent, and Olivia Ames-Lewis, who have been volunteering with us for a combined 25 years! They all had relatives here and now give their time to our residents, bringing smiles to their faces.

Christine's mum, Trudy, was a resident for two years until 2014. Olivia began volunteering after her partner, Reg, lived with us in 2019. And Doreen's mum lived with us for ten years. They each bring a unique set of skills and experiences that complement the wonderful team we have here.

With love,
